Presenting a 3BHK ready to move flat up for sale in Paschim Vihar, which is becoming a dream residential area for its ability to provide a slice of authentic New Delhi city life. Property Specifications Well-

knitted and planned on the super area of 900 sq ft is this 2bhk flat where the owner enjoys the complete rights of the freehold ownership. In a low-rise building of four-floors, this impressive infrastructure is positioned on the second floor, hence the residents can experience the greatest possible cross ventilation and natural sunlight. Though the age of construction is between 15-20 years, this north-facing flat is perfectly maintained and features 3 spacious bedrooms, 2 bathrooms, 2 airy balconies, a dining room, a living room, and a kitchen. All the bedrooms are adorned with decorative wardrobes offered with enough space for storage of clothes and other valuables. The attached toilet is designed in Indian fashion which is mounted-up with a geyser where you can enjoy a hot water bath, while the bathroom available for common use fashioned in the western genre. Further, an eye-catching view of the lush green garden is visible from the two well-aligned balconies where you can enjoy a hot cup of tea, where one balcony is connected to the bedroom, while the other balcony opens to the lobby. Bedecked with a granite countertop, a piped gas connection, and a chimney, the contemporarily designed modular kitchen is also provided with a wash area and also sufficient space for fridge. The entire flat is polished up with the good quality tiles which are easy to install and can be quite pleasant and comfortable underfoot. Facilities Keeping in mind the convenience of the residents, some of the basic facilities such as an unrestricted supply of water, and power backup with inverter. Additionally, one open parking space for 1 vehicle read more

Points

- A strong positive correlation (~ 0.84) exists between Price and Area, indicating that property prices increase significantly with larger carpet areas.
- Area demonstrates a healthy correlation with BHK and Bathroom count, suggesting that bigger homes generally come with more room and bathrooms
- Parking availability and Price per Sqft show weak to negligible correlation with other features, implying they influence property value more independently rather than through direct relationships.
